About Institute

Sherlock Institute of Forensic Science India came into existence in 2006, since then it has been rendering its quality courses and has been pioneering into the world of forensics, with highly appreciative and adorable approach from its students. In the beginning years, the institute had to strive hard to make its name and establish its identity.

Sherlock Institute of Forensic Science India has been a leading institute in India in the fields of forensics, marking its presence for more than a decade. The institute has been operating actively in the area, delivering an inevitable excellence and commitment towards the betterment of the society, breaking the saga that forensics has always been a neglected issue in an Indian set-up.

The institute, with its objective of being an integral body providing its reliable, efficient and competent courses, in all the arenas of forensics, whether it be investigation, education, or research.

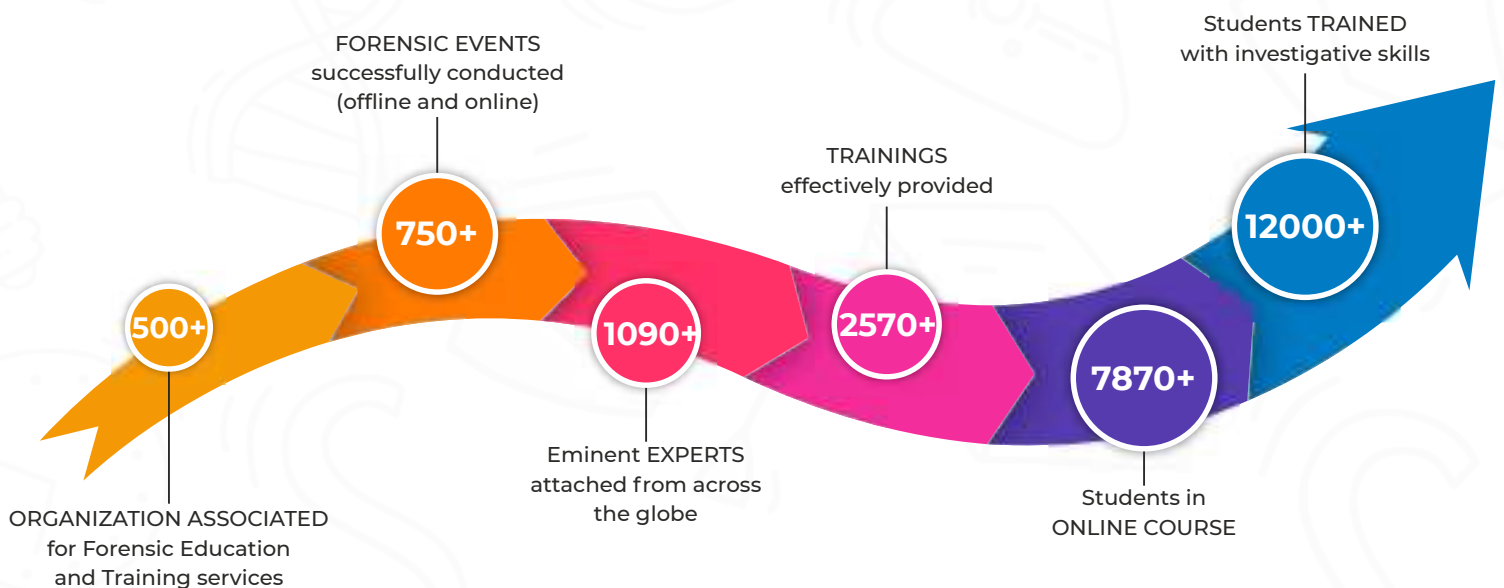

Till the date, we have marked our skilled presence all over the country, in the various government and private sectors. Our performance and presence has been highly appreciated and is considered accountable by our renowned list of patrons.

The institute is known to show its effective presence and participation in the grounds of forensic investigation, forensic education, forensic research and development. Till date, the institute with its passionate and determined team of experts, along with the director, Dr. Ranjeet Kr. Singh, as its mentor has led and guided the team with a vow to render excellent, error-free courses with a determination to excel the grounds of forensics.

After marking our presence nationally, now we have remarkably manifested our international presence after collaborating with internationally based companies. We have our associates in England, Ireland, United States, United Arab Emirates, Nigeria, Ghana, Uganda, Thailand, Poland, Romania, Afghanistan, Mexico, Texas, Tanzania, Egypt, Jamaica, Indonesia, Italy, Australia, Maldives, etc.
